CDC

»»» Roadguards In!

As CDC marches on into day one, cadets are getting riled up into the forming stage of team development. After PT and CDI, cadets engaged in a group activity participated in classes on Uniforms and Public speaking before having inspections.

WBS

»»» Barracks Attention!

If it raining we ain't training, WBS starts the day off with morning PT then up next is uniform and dorm prep for inspections, then afterwards is evening classes and finally is evening PT and sports

WCA

»»» Understanding the Ropes

WCA started the day of bright and early with PT that was followed up with inspection preparation and a character development class. As they continue through the day squadron drill is practiced and then inspections. Then in the evening WCA wraps up the day with Mentoring, Supervision, and Discipline classes.

»»» D - FAC: MONDAY, JUNE 26TH
