

WISCONSIN WING 2024 ENCAMPMENT NEWSLETTER

Day 5
7/4/2024

Highlight of the Day: Rockets on Independence Day

Happy Independence Day! Cadets flew sky-high today as they launched the bottle rockets they have been working on throughout the week. Teamwork, innovation, and hard work determined success or failure on the launchpad. The skills cadets utilized during this project are applicable in any future pursuit they undertake, no matter the field.

Pass-In-Review Practice

This afternoon, the Wisconsin Basic School practiced the week's end pass-in-review parade. Military reviews date back to battles of old where military drill was used to control formations in battle. Our parade on Saturday will be viewed by parents and dignitaries from near and far, and we look forward to seeing the hard work from throughout the week on display!

Encampment Media

There's only so much we can fit into one newsletter, try as we might, so the photos you may be looking out for might not make it into a newsletter. Despite this, you can be assured that the Public Affairs team will capture that picture you are looking for of your cadet. Scan this QR code for the links to all our social media!
