Day 7  
7/6/2024

## Highlight of the Day: Graduation

Congratulations to our graduating cadets! The success of the students at this encampment was hard-fought and well earned. Graduating WBS students received their certificates this evening, and we recognized some of our most outstanding cadets and cadre for their performance throughout the week.

## Parade and Out-Processing Details

Before Pass-In-Review, parents are welcomed to attend a parent briefing with Captain Bastian at building 475 at 10:00.

After the parade, which takes place at 11:00 sharp, parents are asked to meet their cadets in the parking lot of building 475 and walk with their cadets as they out-process.

Cadets can find their luggage in Classroom D and will then head to the lobby to get checked out with administration. After that, they are free to go.

### Encampment Media

There's only so much we can fit into one newsletter, try as we might, so the photos you may be looking out for might not make it into a newsletter. Despite this, you can be assured that the Public Affairs team will capture that picture you are looking for of your cadet. Scan this QR code for the links to all our social media!
